

# URBAN STORAGE

## URBAN STORAGE:

Urban Storage is a modern and flexible collection of beautiful storage units in many different shapes and sizes.

The series proves that Scandinavian simplicity is elegant and sophisticated. The different storage units are equipped with sleek steel handles that add to its sleek, minimalistic look.

Holmris B8 provides lots of flexibility with this collection, allowing you to build a storage unit that fits your exact needs.

All Holmris furniture is produced and designed in Denmark to ensure the highest possible quality.
